

Name: _____

Class: I

Date: _____

National Doctors' Day

1st July is celebrated as National Doctors' Day.

I Talk:

- 1) *Who is the doctor in the picture?*
- 2) *How did you recognise the doctor's hand?*
- 3) *Whose hand is the doctor holding?*
- 4) *What does the picture tell you about the doctor?*
- 5) *What comes to your mind when you think of a doctor?*
- 6) *How have the doctors been doing during the covid-19 pandemic?*

I Draw:

Draw any one thing that reminds you of a doctor.

Let's learn a new word:

Stethoscope

I Explore:

Find out:

In which hospital were you born? What was the name of the doctor who took care of your mom?
