I Read:

In India, the National Doctors' Day is celebrated on July 1 all across India to honour the legendary physician and the second Chief Minister of West Bengal, Dr. Bidhan Chandra Roy. He was born on July 1, 1882 and died on the same date in 1962, aged 80 years.

Let's Learn:

Doctor for heart – **Cardiologist**

A doctor who treats teeth is called a - DENTIST

A doctor who treats skin is called a - DERMATOLOGIST

1) Have you seen these things? Where have you seen it? Name it and write their uses:

2) What do you think is happening in the picture? Which doctor will they visit if in pain?

3) How do we call for an ambulance?
